of the other territory, in its territory, in existence as of the date of entry into force of this Agreement or established, acquired, or expanded thereafter, and which have been admitted in the territory in accordance with its law, regulations and policies.

2.2 Subject to the provisions of Chapter III of this Agreement, nothing in this Agreement shall extend to any Pre-investment activity related to establishment, acquisition or expansion of any investment, or to any measure related to such Pre-investment activities, including terms and conditions under such measure which continue to apply post-investment to the management, conduct, operation, sale or other disposition of such investments.

2.3 This Agreement shall not apply to claims arising out of events which occurred, or claims which have been raised prior to the entry into force of this Agreement.

2.4 This Agreement shall not apply to:

- (a) any measure by a local authority;
- (b) any law or measure regarding taxation, including measures taken to enforce taxation obligations;

For greater certainty, it is clarified that where the authority of a territory in which investment is made decides that conduct alleged to be a breach of its obligations under this Agreement is a subject matter of taxation, such decision, whether before or after the commencement of arbitral proceedings, shall be non-justiciable and it shall not be open to any arbitration tribunal to review such decision.

Chapter II: Obligations of Authorities of a Territory

Article 3

Treatment of investments

- 3.1 Investments made by investors shall not be subject to measures, by authorities of the territory in which the investment is made, which constitute a violation of customary international law through:
- (a) Denial of justice in any judicial or administrative proceedings; or
 - (b) fundamental breach of due process; or
 - (c) targeted discrimination on manifestly unjustified grounds, such as gender, race or religious belief; or
 - (d) manifestly abusive treatment, such as coercion, duress and harassment.
- 3.2 Investments of investors of the other territory and investors with respect to their investments shall be accorded full protection and security. For greater certainty, “full protection and security” only refers to the authorities of the territory of a Party’s obligations relating to physical security of investors and to investments made by the investors of the other territory and not to any other obligation whatsoever.
- 3.3 A determination that there has been a breach of another provision of this Agreement, or of a separate international agreement, does not establish that there has been a breach of this Article.
- 3.4 In considering an alleged breach of this article, an Arbitral Tribunal shall take account of whether the investor or, as appropriate, the locally established enterprise, pursued action for remedies before domestic courts or tribunals prior to initiating a claim under this Agreement.

Article 4 Non-discrimination

- 4.1 Investor or investments made by investors of the other territory shall be accorded treatment no less favourable treatment than that accorded, in like circumstances, to its own investors or to investments by such investors with respect to the management, conduct, operation, sale or other disposition of investments in a territory.
- 4.2 The treatment accorded under Article 4.1 means, with respect to a Regional authority, treatment no less favourable than the treatment accorded, in like circumstances, by that Regional authority to investors, and to investments of investors, of the territory of which it forms a part.

Article 5 Expropriation

- 5.1 An investment of an investor of the other territory may not be nationalized or expropriated (hereinafter “**expropriate**”) either directly or through measures having an effect equivalent to expropriation, except for reasons of public purpose, in accordance with the due process of law and on payment of adequate compensation. Such compensation shall be adequate and be at least equivalent to the fair market value of the expropriated investment immediately on the day before the expropriation takes place (“**date of expropriation**”), and shall not reflect any change in value occurring because the intended expropriation

had become known earlier. Valuation criteria shall include going concern value, asset value including declared tax value of tangible property, and other criteria, as appropriate, to determine fair market value.

- 5.2 Payment of compensation shall be made in a freely convertible currency. Interest on payment of compensation, where applicable, shall be paid in simple interest at a commercially reasonable rate from the date of expropriation until the date of actual payment. On payment, compensation shall be freely transferable in accordance with Article 6[Transfers].
- 5.3 The Parties confirm their shared understanding that:
- (a) Expropriation may be direct or indirect:
 - (i) direct expropriation occurs when an investment is nationalised or otherwise directly expropriated through formal transfer of title or outright seizure; and
 - (ii) indirect expropriation occurs if a measure or series of measures of the authorities of the territory has an effect equivalent to direct expropriation, in that it substantially or permanently deprives the investor of the fundamental attributes of property in its investment, including the right to use, enjoy and dispose of its investment, without formal transfer of title or outright seizure.
 - (b) The determination of whether a measure or a series of measures have an effect equivalent to expropriation requires a case-by-case, fact-based inquiry, that takes into consideration:
 - (i) the economic impact of the measure or series of measures, although the sole fact that a measure or series of measures has an adverse effect on the economic value of an investment does not establish that an indirect expropriation has occurred;
 - (ii) the duration of the measure or series of measures of the authorities of the territory;
 - (iii) the character of the measure or series of measures, notably their object, context and intent; and
 - (iv) whether a measure by the authorities of the territory breaches a prior binding written commitment to the investor whether by contract, licence or other legal document.
- 5.4 For the avoidance of doubt, an action taken by the authorities of the territory in its commercial capacity shall not constitute expropriation or any other measure having similar effect.
- 5.5 Non-discriminatory regulatory measures by the authorities of the territory or measures or awards by judicial bodies of the territory that are designed and applied to protect legitimate public interest or public purpose objectives such as public health, safety and the environment shall not constitute expropriation under this Article.
- 5.6 In considering an alleged breach of this Article, an Arbitral Tribunal shall take account of whether the investor or, as appropriate, the locally

established enterprise, pursued action for remedies before domestic courts or tribunals prior to initiating a claim under this Agreement.

Article 6 Transfers

- 6.1 Subject to the law of a territory, all funds of an investor of the other territory related to an investment in the territory shall be permitted to be freely transferred and on a non-discriminatory basis. Such funds may include:
- (a) contributions to capital;
 - (b) profits, dividends, capital gains and proceeds from the sale of all or any part of the investment or from the partial or complete liquidation of the investment;
 - (c) interest, royalty payments, management fees, and technical assistance and other fees;
 - (d) payments made under a contract, including a loan agreement;
 - (e) payments made pursuant to Article 5 [Expropriation], Article 7 [Compensation for losses] and under Chapter IV.
- 6.2 Unless otherwise agreed to between the Parties, currency transfer under Article 6.1 shall be permitted in the currency of the original investment or any other convertible currency. Such transfer shall be made at the prevailing market rate of exchange on the date of transfer.
- 6.3 Nothing in this Agreement shall prevent the authorities of the territory from conditioning or preventing a transfer through a good faith application of its law, including actions relating to:
- (a) bankruptcy, insolvency or the protection of the rights of the creditors;
 - (b) compliance with judicial, arbitral or administrative decisions and awards;
 - (c) compliance with labour obligations;
 - (d) financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities;
 - (e) issuing, trading or dealing in securities, futures, options, or derivatives;
 - (f) compliance with the law on taxation;
 - (g) criminal or penal offences and the recovery of the proceeds of crime;
 - (h) social security, public retirement, or compulsory savings schemes, including provident funds, retirement gratuity programs and employees insurance programs;
 - (i) severance entitlements of employees;
 - (j) requirement to register and satisfy other formalities imposed by the Central Bank and other relevant authorities of the territory of a Party; and
 - (k) in the case of ITA, requirements to lock-in initial capital investments, as provided in the authority's Foreign Direct Investment (FDI) Policy, where applicable, provided that, any new measure which would require a lock-in period for investments will not apply to existing investments.
- 6.4 Notwithstanding anything in Article 6.1 and 6.2 to the contrary, an authority of a territory may temporarily restrict transfers in the event of serious balance-of-payments difficulties or threat thereof, or in cases where, in exceptional circumstances, movements of capital cause or

threaten to cause serious difficulties for macroeconomic management, in particular, monetary and exchange rate policies.

Article 7 Compensation for Losses

Investments of investors of one territory which suffer losses owing to war or other armed conflict, a state of national emergency or civil disturbances in other territory, will be given treatment, as regards restitution, indemnification, compensation or other settlement, no less favourable than that which the authorities of the latter territory accord to their own investors or to investors of any non-Party territory. Resulting payments shall be freely transferable.

Article 8 Subrogation

- 8.1 If an authority of a territory or its designated agency makes a payment to any of its investors under a guarantee or a contract of insurance it has entered into in respect of an investment, the validity of the subrogation in favour of such authority or agency thereof to any right or title held by the investor shall be recognized in the other territory.
- 8.2 An authority of a territory or its designated agency thereof which is subrogated to the rights of an investor in accordance with paragraph 1 of this Article shall be entitled in all circumstances to the same rights as those of the investor in respect of the investment. Such rights may be exercised by the authority or its designated agency thereof, or by the investor if the said authority or any agency thereof so authorizes.

Article 9 Entry and Sojourn of Personnel

Subject to the law in the territories relating to the entry and sojourn of non-citizens and on the basis of reciprocity, an authority of the territory shall permit natural persons of the other territory employed by the investor or the locally established enterprise to enter and remain in its territory for the purpose of engaging in activities connected with the investment.

Article 10 Transparency

- 10.1 Each Party shall, to the extent possible, ensure that the laws, regulations, procedures, and administrative rulings of general application in respect of any matter covered by this Agreement are promptly published or otherwise made available in such a manner as to enable interested persons and the other Party to become acquainted with them.
- 10.2 Each Party shall, as provided for in the laws and regulations in its territory:
 - (a) publish any such measure that it proposes to adopt; and
 - (b) provide interested persons and the other Party a reasonable opportunity to comment on such proposed measures.

10.3 Each Party shall, upon request by the other Party, promptly respond to specific questions from and provide information to the other Party with respect to matters referred to in Article 10.1.

10.4 Nothing in this Agreement shall require a Party to furnish or allow access to confidential information, the disclosure of which would impede law enforcement, or otherwise be contrary to the public interest, or which would prejudice legitimate commercial interests of particular juridical persons, public or private.

Chapter III Investor Obligations

Article 11 Compliance with Laws

The Parties reaffirm and recognize that:

(a) Investors and their investments shall comply with all laws, regulations, procedures and administrative rulings of the territory of a Party concerning the establishment, acquisition, management, operation and disposition of investments.

(b) Investors and their investments shall not, either prior to or after the establishment of an investment, offer, promise, or give any undue pecuniary advantage, gratification or gift whatsoever, whether directly or indirectly, to a public servant or official of the territory of a Party as an inducement or reward for doing or forbearing to do any official act or obtain or maintain other improper advantage nor shall be complicit in inciting, aiding, abetting, or conspiring to commit such acts.

(c) Investors and their investments shall comply with the provisions of law of the territory concerning taxation, including timely payment of their tax liabilities.

(d) An investor shall provide such information as the authorities of territory may require concerning the investment in question and the corporate history and practices of the investor, for purposes of decision making in relation to that investment or solely for statistical purposes.

Article 12 Corporate Social Responsibility

Investors and their enterprises operating within each territory shall endeavour to voluntarily incorporate internationally recognized standards of corporate social responsibility in their practices and internal policies, such as statements of principle that have been endorsed or are supported by the authorities of the territories. These principles may address issues such as labour, the environment, human rights, community relations and anti-corruption.

Chapter IV Settlement of Investment Disputes

Article 13

Scope and Definitions

- 13.1 Without prejudice to the rights and obligations of the authorities of the territories under Chapter V, this Chapter establishes a mechanism for the settlement of disputes between an investor and the authorities of the other territory.
- 13.2 This Chapter shall only apply to a dispute between the authorities of a territory and an investor of the other territory with respect to its investment, arising out of an alleged breach of an obligation of the authorities of the territory under Chapter II of this Agreement, other than the obligation under Articles 9 [Entry and Sojourn of Personnel] and Article 10 [Transparency] of this Agreement.
- 13.3 The Arbitral Tribunal constituted under this Chapter shall only decide claims in respect of a breach of this Agreement as set out in Chapter II, except under Articles 9 [Entry and Sojourn of Personnel] and Article 10 [Transparency], and not disputes arising solely from an alleged breach of a contract between the authorities of the territory and an investor. Such disputes shall only be resolved by the domestic courts or in accordance with the dispute resolution provisions set out in the relevant contract.
- 13.4 An investor may not submit a claim to arbitration under this Chapter if the investment has been made through fraudulent misrepresentation, concealment, corruption, money laundering, conduct amounting to an abuse of process, or similar illegal mechanisms.
- 13.5 In addition to other limits on its jurisdiction, the Arbitral Tribunal constituted under this Chapter shall not have the jurisdiction to:
- (a) review the merits of a decision made by a judicial authority of the territory; or
 - (b) accept any claim that is or has been subject of an arbitration under Chapter V.
- 13.6 A dispute between an investor and the authorities of the territory shall proceed sequentially in accordance with this Chapter.

Article 14

Proceedings under different international agreements

Where claims are brought pursuant to this Chapter and another international agreement and:

- (a) there is a potential for overlapping compensation; or
- (b) the other international claim could have a significant impact on the resolution of the claim brought pursuant to this Chapter,

the Arbitral Tribunal constituted under this Chapter shall, as soon as possible after hearing the disputing parties, stay its proceedings or otherwise ensure that proceedings brought pursuant to another international agreement are taken into account in its decision, order or award.

Article 15

Conditions Precedent to Submission of a Claim to Arbitration

- 15.1 In respect of a claim that the Defending Party has breached an obligation under Chapter II, other than an obligation under Article 9 [Entry and Sojourn of Personnel] and Article 10 [Transparency], a disputing investor may commence a proceeding under this Chapter by transmitting a written request for consultations and negotiations (“written request”) to the Defending Party.
- 15.2 The written request shall: specify the name and address of the disputing investor or the enterprise, where applicable; set out the factual basis of the claim, including the measures at issue; specify the provisions of the Agreement alleged to have been breached and any other relevant provisions; specify the relief sought and the approximate amount of damages claimed; and furnish evidence establishing that the disputing investor is an investor of the territory of the other Party.
- 15.3 For no less than six (6) months after receipt of the written request, the disputing parties shall use their best efforts to try to resolve the dispute amicably through meaningful consultation, negotiation or other third party procedures. In all such cases, the place of such consultation or negotiation or settlement shall be the territory in which the investment is made.
- 15.4 In the event that the disputing parties cannot settle the dispute amicably, a disputing investor may submit a claim to arbitration pursuant to this Agreement, but only if the following additional conditions are satisfied:
 - (a) a disputing investor must submit its claim before the relevant domestic courts or administrative bodies in the territory in which the investment is made for the purpose of pursuing domestic remedies in respect of the same measure or similar factual matters for which a breach of this Agreement is claimed. Such claim before the relevant domestic courts or administrative bodies mentioned above, must be

submitted within one(1) year and six (6) months from the date on which the investor first acquired, or should have first acquired, knowledge of the measure in question and knowledge that the investment, or the investor with respect to its investment, had incurred loss or damage as a result.

For greater certainty, in demonstrating compliance with the obligation to exhaust local remedies, the investor shall not assert that the obligation to exhaust local remedies does not apply or has been met on the basis that the claim under this Agreement is by a different party or in respect of a different cause of action.

Provided, however, that the requirement to exhaust local remedies shall not be applicable if the investor or the locally established enterprise can demonstrate that there are no available domestic legal remedies capable of reasonably providing any relief in respect of the same measure or similar factual matters for which a breach of this Agreement is claimed by the investor.

(b) Where applicable, if, after exhausting all judicial and administrative remedies relating to the measure underlying the claim for at least a period of four(4) years from the date on which the investor first acquired knowledge of the measure in question, no resolution has been reached satisfactory to the investor,

(c)not more than five (5) years and six (6) months have elapsed from the date on which the disputing investor first acquired, or should have first acquired, knowledge of the measure in question and knowledge that the disputing investor with respect to its investment, had incurred loss or damage as a result; or

(d)where applicable, not more than twelve (12) months have elapsed from the conclusion of domestic proceedings pursuant to subparagraph (b).

(e) the disputing investor or the locally established enterprise have waived their right to initiate or continue before any administrative tribunal or court under the law of the territory of any Party, or other dispute settlement procedures, any proceedings with respect to the measure of the Defending Party that is alleged to be a breach referred to in Article 13.2.

(f)In case of indirect investment, a disputing investor may submit a claim under Chapter IV only if, both the disputing investor and the legal entity of any other territory through which the investment has been made, waive their right to initiate or continue any proceeding, including under any other Investment Agreement, with respect to the measure of the Defending Party that is alleged to be a breach referred to in Article 13.2. Such waivers shall be provided in writing to the Defending Party, by the disputing investor and the legal entity of any other territory through which the investment has been made.

(g)In case of indirect investment, no claim may be submitted under this Chapter if the disputing investor or the legal entity of any other territory through which the investment has been made, submits or has submitted a claim with respect to the same measure or series of measures under any proceeding, including under any other Investment Agreement.

(h) where the claim submitted by the disputing investor is for loss or damage to an interest in an enterprise of the territory of the other Party

that is a juridical person that the disputing investor owns or controls, that enterprise has waived its right to initiate or continue before any administrative tribunal or court under the law of the territory of any Party, or other dispute settlement procedures, any proceedings with respect to the measure of the Defending Party that is alleged to be a breach referred to in Article 13.2.

(i) At least 90 days before submitting any claim to arbitration, the disputing investor has transmitted to the Defending Party a written notice of its intention to submit the claim to arbitration (“**notice of arbitration**”). The notice of arbitration shall:

(i) attach the written request and the record of its transmission to the Defending Party with the details thereof;

(ii) provide the consent to arbitration by the disputing investor, or where applicable, by the locally established enterprise, in accordance with the procedures set out in this Agreement;

(iii) provide the waiver as required under Article 15.4 (e),(f), (g) or (h), as applicable; provided that a waiver from the enterprise under Article 15.4 (e),(f),(g) or (h) shall not be required only where the Defending Party has deprived the disputing investor of control of an enterprise;

(iv) specify the name of the arbitrator appointed by the disputing investor.

Article 16

Submission of Claim to Arbitration

- 16.1 A disputing investor who meets the conditions precedent provided for in Article 15[Conditions Precedent to Submission of a Claim to Arbitration] may submit the claim to arbitration under:
- (a) the UNCITRAL Arbitration Rules; or
 - (b) any other arbitration rules, including the ICC Arbitration Rules, if mutually agreed by the disputing parties.
- 16.2 The applicable arbitration rules shall govern the arbitration except to the extent modified by this Chapter, and supplemented by any subsequent rules adopted by the Parties.
- 16.3 A claim is submitted to arbitration under this Chapter when the notice of arbitration given under the UNCITRAL Arbitration Rules is received by the Defending Party.
- 16.4 Delivery of notice and other documents on a Party shall be made to the Designated Representative for each Party.

Article 17

Appointment of Arbitrators

17.1 The Arbitral Tribunal shall consist of three arbitrators with relevant expertise or experience in public international law, international trade and international investment law, or the resolution of disputes arising under international trade or international investment agreements. They shall be independent of, and not be affiliated with or take instructions from a disputing

party or the authorities of the territory of a Party, with regard to trade and investment matters. Arbitrators shall not take instructions from any organisation, government, authorities of the territories or disputing party with regard to matters related to the dispute.

17.2 One arbitrator shall be appointed by each of the disputing parties and the third arbitrator (“**Presiding Arbitrator**”) shall be appointed by agreement of the co-arbitrators and the disputing parties.

17.3 If the Arbitral Tribunal has not been constituted within one hundred twenty (120) days from the date that a Claim is submitted to arbitration under this Article, the appointing authority under this Article shall be the Secretary-General of the Permanent Court of Arbitration.

17.4 The appointing authority shall appoint in her/his discretion and after consultation with the disputing parties, the arbitrator or arbitrators not yet appointed.

Article 18 **Prevention of Conflict of Interest of Arbitrators and Challenges**

18.1 Every arbitrator appointed to resolve disputes under this Agreement shall during the entire arbitration proceedings be impartial, independent and free of any actual or potential conflict of interest.

18.2 Upon nomination and, if appointed, every arbitrator shall, on an ongoing basis, disclose in writing any circumstances that may, in the eyes of the disputing parties, give rise to doubts as to her/his independence, impartiality, or freedom from conflicts of interest. This includes any items listed in Article 18.10 and any other relevant circumstances pertaining to the subject matter of the dispute, and to existing or past, direct or indirect, financial, personal, business, or professional relationships with any of the disputing parties, Parties, legal counsel, representatives, witnesses, or co-arbitrators. Such disclosure shall be made immediately upon the arbitrator acquiring knowledge of such circumstances, and shall be made to the co-arbitrators, disputing parties and the appointing authority, if any, making an appointment. Neither the ability of those individuals or entities to access this information independently, nor the availability of that information in the public domain, will relieve any arbitrator of his or her affirmative duty to make these disclosures. Doubts regarding whether disclosure is required shall be resolved in favour of such disclosure.

18.3 A disputing party may challenge an arbitrator appointed under this Agreement:

- (a) if facts or circumstances exist that may, in the eyes of any of the disputing parties, give rise to justifiable doubts as to the arbitrator’s independence, impartiality or freedom from conflicts of interest; or
- (b) in the event that an arbitrator fails to act or in the event of the *de jure* or *de facto* impossibility of the arbitrator performing his or her functions,

Provided that no such challenge may be initiated after fifteen days of that party:

- (i) learning of the relevant facts or circumstances through a disclosure made

under Article 18.2 by the arbitrator, or (ii) otherwise becoming aware of the relevant facts or circumstances relevant to a challenge under Article 18.3, whichever is later.

18.4 The notice of challenge shall be communicated to the disputing party, to the arbitrator who is challenged, to the other arbitrators and to the appointing authority under Article 17.3. The notice of challenge shall state the reasons for the challenge.

18.5 When an arbitrator has been challenged by a disputing party, all disputing parties may agree to the challenge. The arbitrator may also, after the challenge, withdraw from his or her office. In neither case does this imply acceptance of the validity of the grounds for the challenge.

18.6 If, within fifteen (15) days from the date of the notice of challenge, the disputing parties do not agree to the challenge or the challenged arbitrator does not withdraw, the disputing party making the challenge may elect to pursue it. In that case, within 30 days from the date of the notice of challenge, it shall seek a decision on the challenge by the appointing authority as specified under Article 17.3.

18.7 The appointing authority as specified under Article 17.3 shall accept the challenge made under Article 18.3 if, even in the absence of actual bias, there are circumstances that would give rise to justifiable doubts as to the arbitrator's lack of independence, impartiality, freedom from conflicts of interest, or ability to perform his or her role, in the eyes of an objective third party.

18.8 In any event where an arbitrator has to be replaced during the course of the arbitral proceedings, a substitute arbitrator shall be appointed or chosen pursuant to the procedure provided for in the Agreement and the arbitration rules that were applicable to the appointment or choice of the arbitrator being replaced. However, if a Defending Party requests a hearing, the Arbitral Tribunal may take an additional thirty (30) days to issue the decision or award.

20.5 The Defending Party does not waive any objection as to competence or any argument on the merits merely because the Defending Party did or did not raise an objection or make use of the expedited procedure set out this Article.

20.6 When the Arbitral Tribunal decides on a preliminary objection by a Defending Party under Article 20.2 or 20.3, the Arbitral Tribunal may, if warranted, award to the prevailing Defending Party reasonable costs and attorneys' fees incurred in submitting or opposing the objection.
