

15-18 June 2026  
SiSax - Silicon Saxony Day  
Business Delegation

Update 23.01.2026

#PartnerInTaiwan

# WHAT WE TALK ABOUT

## Artificial Intelligence & Autonomous Systems

From generative AI to intelligent automation: how smart systems transform products, processes, and entire industries.

## IC Design & High-Tech Product Development

From advanced chip design to innovative product engineering: technologies & methods enabling faster, smarter development.

## Sustainability, Skills & the Future of Work

How companies accelerate the green transition – and build the talent and leadership needed for Europe's high-tech future.

## Cloud, Cybersecurity & Digital Infrastructure

Building the secure, scalable and resilient digital backbone Europe's high-tech economy relies on.

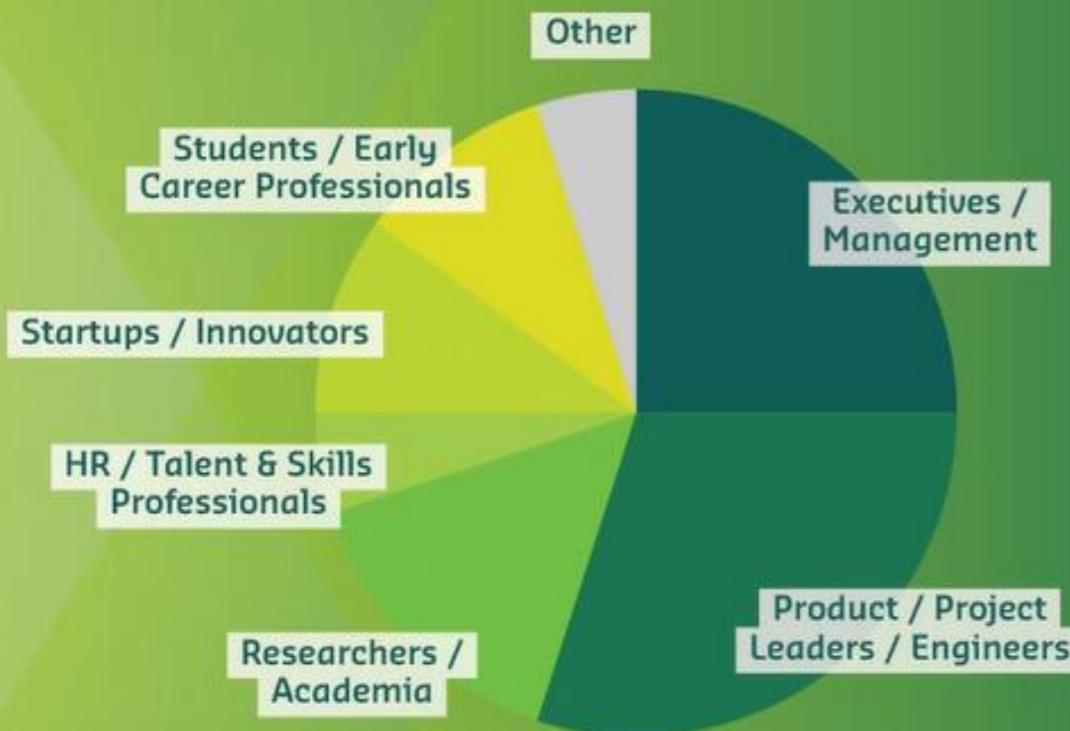

## Smart Manufacturing & Digital Twin Technologies

The future of production: data-driven, connected, automated.

Your keynote will inspire a community driving Europe's next decade of tech leadership.

20<sup>th</sup>  
SILICON SAXONY DAYS

Audience Breakdown

# WHO TO EXPECT

1000+  
participants

500+  
companies &  
institutions

500+  
pre-scheduled  
meetings

>35 %  
international  
guests

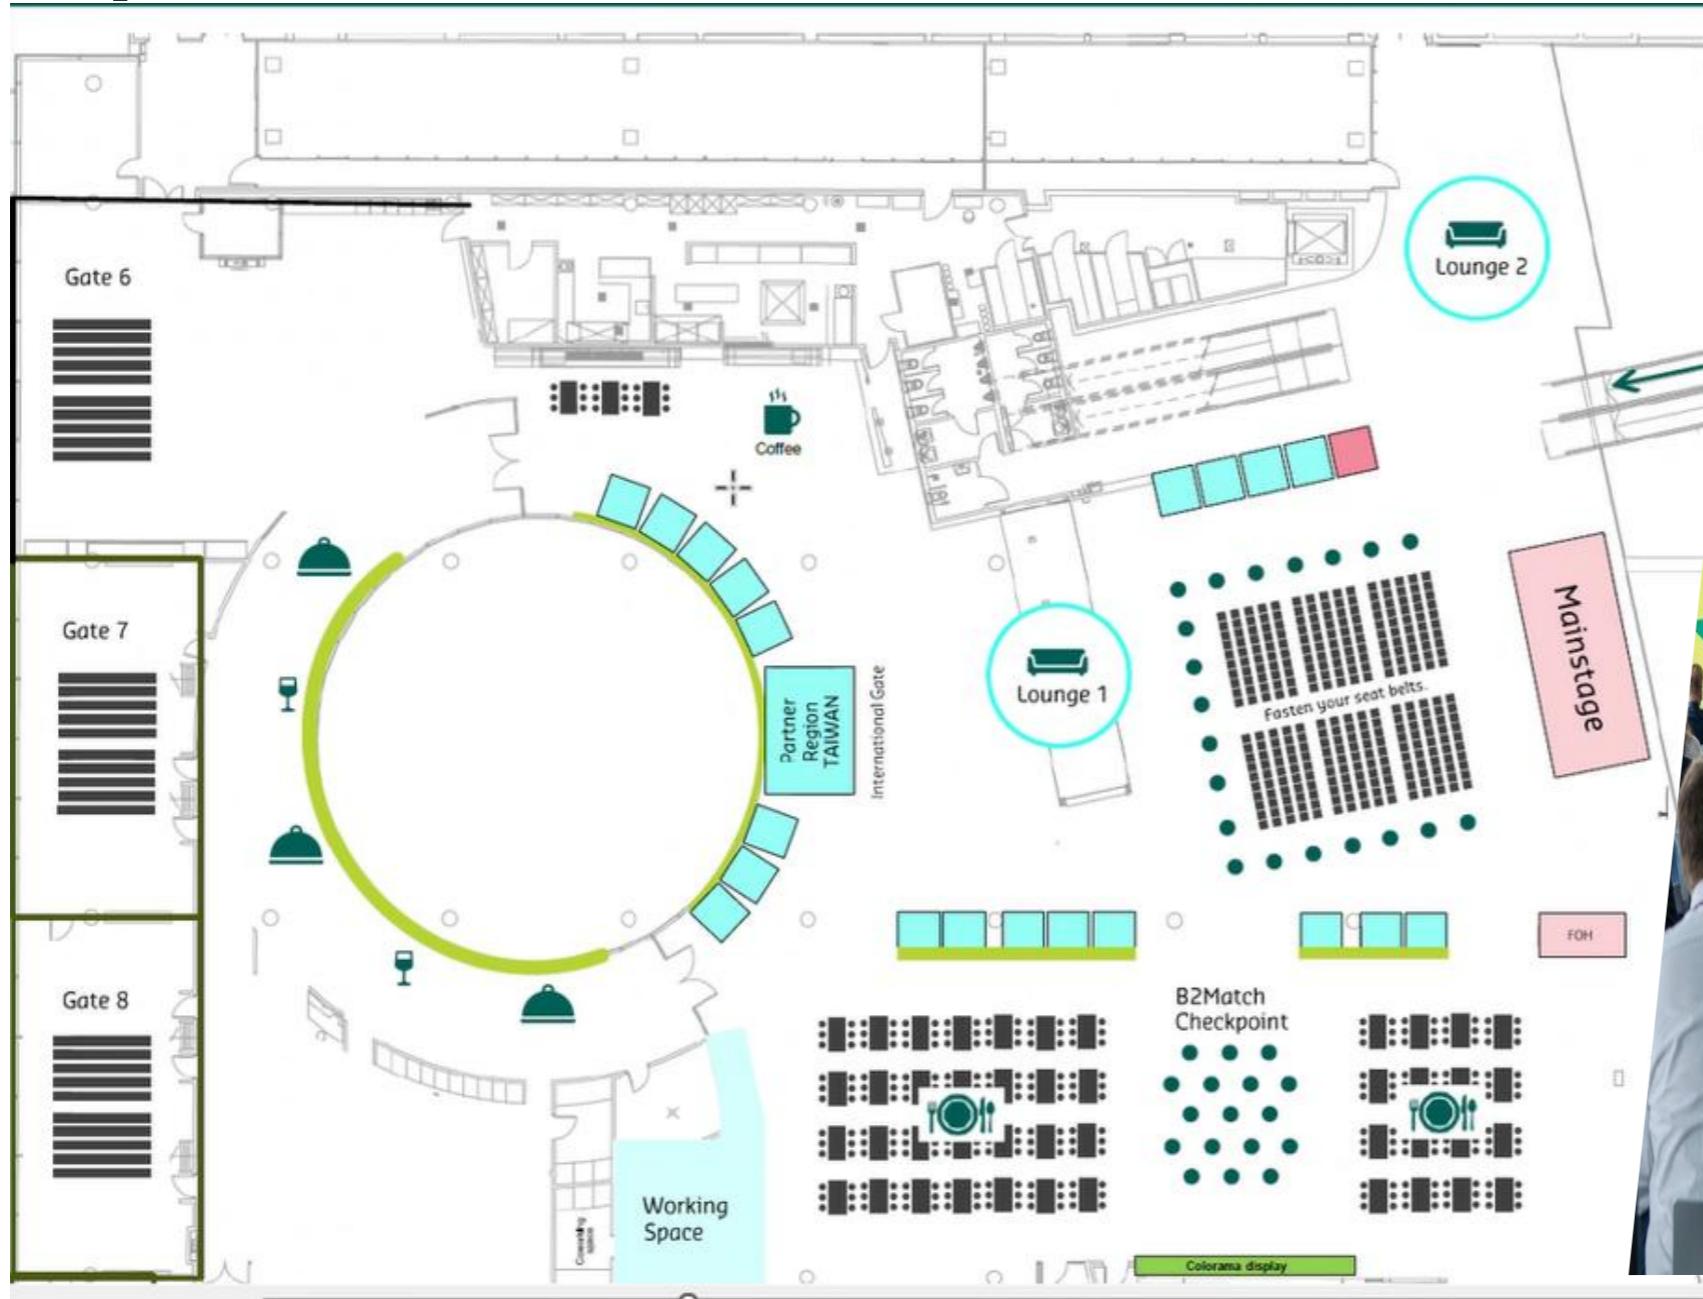

130+  
exhibitors

20+  
countries

The Silicon Saxony Days shape conversation across  
the entire European high-tech value chain.

Extra spotlights, branded throughout the venues + Keynote Session \*1

# Special Partner of the Year “TAIWAN”

# Taiwan Delegation 2024

9 companies (17 people) from Taiwan

- Topco Scientific Co.,Ltd (2)
- THIRD ENTERPRISE CO., LTD (3)
- Matrix Research Limited (1)
- GENII IDEAS Co., Ltd (2)
- TAIWAN FYLIN INDUSTRIAL CO., LTD (1)
- SHINYUAN TECHNOLOGY CO., LTD (4)
- STABLE TOP INTERNATIONAL CO., LTD (1)
- Mao-Shuan Technology Co., Ltd. (1)
- Deutsche Bank(2)

1 company (2 people) from Germany

- BASF SE (2)

## Site Visits 2024

- HZDR ( Helmholtz-Zentrum Dresden-Rossendorf)
- Infineon
- Global Foundries
- xfab

**Total : 21 people**

(incl. AHK Taiwan 2 staff)

# Taiwan Delegation 2025

## 7 companies, 11 participants

- Ruth Cleaning Technology
- FIRST-ELITE ENTERPRISE CO.,LTD
- RAYZHER INDUSTRIAL CO.,LTD.
- Third Enterprise Co., LTD.
- Wholotech System Hitech Limited
- Detons OHG
- Scientech Corporation

## Site Visits 2025

- Global Foundries
- SEMPA (Gas and Chemical Delivery Systems)
- FÄTH (Fluid Control Systems)
- City of CHEMNITZ (Maker's Fair)

**Total : 13 people**

(incl. AHK Taiwan 2 staff)

And yes, Taiwan can help here too!

# **This is not supplier substitution – it is ecosystem partnership**

**Data Center**

**Industrial Park & City Administration**

**AI Server**

# What's Now and What' Next?

## 1. What's Going On: Semiconductor-Driven Demand

Dresden / Sachsen as a semiconductor anchor region  
fabs, AI, power electronics operate 24/7 with zero tolerance for instability

Power demand growth is:

- Structural
- Long-term
- Technology-driven

## 2. What's Changing: Power Becomes the Bottleneck

- Grid access alone is no longer enough
- Industry now requires:
  - Redundancy & resilience
  - High power quality
  - Faster grid connection timelines
  - Carbon-constrained energy solutions

## 3. What's Next: Power Infrastructure as the Next Investment Wave

- Grid reinforcement & substations
- Medium- and high-voltage equipment
- Energy storage & hybrid systems
- Power electronics & converters
- Smart grids & energy management
- Backup & resilience solutions for critical industries

“Every new fab multiplies demand across the entire power ecosystem.”

## 4. Why Taiwanese companies are relevant partners

- Taiwan's proven experience with:
  - Semiconductor fabs
  - Dense industrial clusters
  - Ultra-reliable power systems
- Strengths Sachsen values:
  - Modular & scalable solutions
  - Fast engineering response
  - Competitive manufacturing + system know-how

## 5. How to Engage: Entry & Cooperation Pathways

- Market entry models:
  - Local manufacturing
  - JV or technology partnership
  - Engineering & service hubs
- Sachsen support:
  - Site & incentive coordination
  - Grid & permitting facilitation
  - Access to industrial off-takers

# 15 – 18 June 2026

## Silicon Saxony Day Delegation

**Power Infrastructure**

# Top Data Centers in Dresden / Nearby

host several important colocation and infrastructure centers for regional enterprise, research, and connectivity:

**Comarch Dresden Data Center** – A significant commercial facility offering colocation, cloud hosting, managed services and disaster recovery. It is carrier-neutral, designed to meet Tier III / TIA-942 standards and has around 300 m<sup>2</sup> white space with ~32 racks and ~0.7 MW IT load (power density up to ~10 kW per rack).

**PlusServer Dresden** – Operated by PlusServer GmbH, providing 24/7 colocation services with redundant power and internet connectivity for enterprise clients.

**CenterServ: Dresden Data Center** - CenterServ's managed datacenter network offers high performance on a global scale, a world leader's, both in terms of data safety and network connectivity.

**DRS01 Data Center** - operated by MTI/GLH. Serving the eastern Germany market, DRS01 provides a regional colocation option in Saxony, supporting connectivity to national and international digital infrastructure.
